“ Our prayers goes out to cousin Alma family. I can remember when she, her husband, sister Betty Joe and one other person was in Little Rock to get teeth made. After the Dentist had done what he needed to do, he gave them a certain time to come back and pick up their teeth. They visited with us until time to go back to pick up their teeth, I was curious, so I asked, are all of you getting your teeth today, what if they give you the wrong one? Cousin Alma looked at the others and said well, we are all down home we can put them on the table and just them on until we find the ones that fits. I could only laugh and say Good Answer. RIP
