“ I use to work with Andre Dunn for a short time and got to witness what kind of person he was well at least at the job site. He was always kind, respectful, person to me. He was always joking and making other people laugh and had a contagious smile just a kind person never seen him mad. At times I would see him buy his entire shift pizza, wings, or other food out of the kindness of his heart. He was very helpful if you needed help on anything pertaining to the job. Rest easy A. Dunn.

“ Condolences to the Family for a Loss way too early. Andre's smile, generosity towards others, loving heart, constant laughter, and positive attitude will be missed. I enjoyed working with Andre at Manheim. Andre cared about his co-workers and would ensure they were taken care of. Andre always with a smile and laughed frequently. I missed him when he left this location and looked forward to meeting him again. I will visit with you in heaven my friend. Peace.

“ To the Dunn Family I pray that you all be strong in your time of sorrow, but I would like to let you know Andre was a kind person someone I enjoyed seeing and talking to him, it may have been about the games he would playing on TV and even he telling me about the Old School Music he enjoyed listening to. He will be missed
