“ Man You Shawn And Gary were like brothers to me we grew up on the same block we did everything together fish hunt and most of all we rode a lot of horses. Man I'm thinkn about some of the times we could've got killed fooling with some of them crazy horses but God takes care of babies and fools and we were not babies. It was just a few days ago that we were in the horse show together doing what we love to do. Ima miss the times we shared but I'll cherish every memory. Until we meet again. I guess God had some wild horses up there that he needed you to break. So ride on lil red ride on. With Tears In My Eyes, I'll see You in the morning
