“ So sorry for yall's loss of Mr. Doc. I grew up working in the log woods with my daddy Marvin Lewis for Anthony Forest Products. My Daddy always thought the world of Mr. Doc and Mr. George! Had the utmost respect for those two men. I remember them helping my daddy pull log trucks when they had log skidders and my daddy didn't. Daddy had the smaller tractors at the time. They don't make men like them anymore. Prayers for all of you during this time.
