“ *To the family Please accept my love and sympathy. Bertha was a wonderful lady. I only have memories of from what mama (Cellie) told me but now she is resting in peace in grandpa Lee's arms.*

“ *Mrs. Bertha was a friend, like a Mother and a sister to me. A person who I could always depend on. We shared a lot of Happy times together.*

That smile of hers could light up a dark room. She could be u upset about something but you could still get a smile out of her.

My most memorable moments with her was our last trip to Little Rock. I rode with her to take Aliyah to Children's Hospital for a routine visit. She insisted on my Ex and I sitting down to talk and have lunch together. Well I am so glad that she suggested that meeting because we rekindled our relationship and months later got married and of course she was right by my side.

Oh my heart aches because my friend, Sister, Mother is no longer here to share in our lives. But the wonderful memories that we shared will live on forever.

I love you

Aunt Bertha was my aunt by marriage. She would often visit me and my husband which was her nephew Eric. She was a wonderful person and will truly be missed. I can see her beautiful smile gracing the heavenly skies. Rest in Peace Aunt Bertha! Love Eric, Von, Alyjah, Chansin, and Tiwaun...

“ *To the family you have our deepest sympathies. I haven't not been home in so long so I've lost touch with all my aunts and uncles. But the memories of you will be with me always.*
