Sending love and prayers to the entire family of Betty. I can remember her working at Magnolia Hospital for many years. She always had that smile and a heart of gold. Her laughter and sweet spirit will be missed. She answered God call the other day, He said, "well done, good and faithful servant! You have been faithful with a few things; I'll put you in charge of many things. Come and share your Master's happiness. Rest in Love and Peace Betty.

“ *Too many memories to count I met Ms Betty in 1998 when I began working at Magnolia Hospital. Then years later of course we broke ground and moved to Magnolia Regional Medical Hospital. She was the lady who wore her smile and greeted you with such love. One of the sweetest lady you would meet on Med Surge floor. Loved her patients and treated them with kindness, care, and with such compassion. She will be greatly missed by all of us who loved her especially her family whom she absolutely loved. Sending my deepest condolences and prayers during this difficult time.*

“ *I send my deepest and heartfelt condolences to the children and grandchildren of Ms. Betty. I remember when Stephanie and I played on the basketball team for Waldo, Ms. Betty was one of the parents that always supported us and would often give me a ride home after practice and many of the games. I know that no words can make the transitioning of your easy but know that God will give you the comfort, strength and peace to endure the absence of your mom's daily presence around you.*
