“ *Brother, heavens know how much you are gonna be missed by us all. You were our protector, a Dad, uncle, good friend, so many things to so many people. The lives you touched, just your presence soothed a crying baby, a mechanic that could fix any car, a dog lover, so many things. God made a good, compassionate tough exterior but a big soft heart on the inside man. Get Your Rest Brother and Farewell for now. With Love Your baby Sister, Betty "Red"*
