“ *Although I was never a personal friend of Ms. Carla, I did come to know her through her work at Smiles during my son's dental visits. I can never forget how every time when we entered that room we were greeted by her beautiful face and a smile that put my son's nervous heart at ease and frankly mine as well. What followed was her radiant energy that was always positive and in the most up beat, U got this kinda way she would joyfully say, "Gavin U made it back 2 see me!" This one simple kind gesture extended to my son blessed him each time with courage to face one of his fears...her kind spirit is what I will always remember. I want to extend my sympathies to her loved one's from not only me but my son, Gavin Covas as well. He attends MHS with Ms. Carla's son and we have been praying for you all and will continue to do so.*

“ *To the family, please accept my sincere condolences for your loss. My heart goes out to you in your time of sorrow. Words cannot fully express the sadness I feel after learning about Carla's passing. She was a special classmate and friend. She was and still is a beautiful soul and light to everyone who had the privilege of knowing her. Walking through this life without her will be difficult for the family and many others whom she inspired deeply but just take it one step and day at a time. My prayer is that God will shine His glorious light and guide you through each and every one of them. May you ever treasure the wonderful memories you had with her and my prayers are with your whole family.*
