*Auntie was an instrumental part of my life from a youth to teen years she always called me over to talk about things I encountered in life and always gave me loving advice. Yeah she called me “my girl”. We grew apart with living so far apart when we use to live next door, but we were later able to become Facebook friends, I will miss her comforting messages, may she Rest In Peace while not having to suffer any more in her body; my prayers and condolences for my first cousins we are so sorry for your loss.*
