“ *There are places within our hearts that can only be filled with memories. Cassandra had such a sweet smile, attitude and greeting. She and Ashley referred to themselves as sisters. They both called us Uncle and Auntee. We had the pleasure of Cassandra spending time at our home in Dallas. Life doesn't always happen the way we want it to. So, may your faith prove even stronger than the loss that you now face. Sending our love, John and Felecia Lockhart, Dallas, TX*

“ Cassandra was always so genuine and I loved that about her, her daughter Zoe is a reflection of her mother's love. I'm so glad I got several opportunities to spend a few happy moments with her thanks to my sister cousin Ashley! Love you 🥰
