“ Haven't seen Charlotte in about twenty something years, and until one day, she had lunch at the restaurant, I was working at in Conway. I walk through and didn't notice she and her family was sitting there. I came back through, and she ask me, ' Is your name Edith, and I respond Hallow May. It was a blessing seeing someone you grow up with from childhood. It's just sad news to hear, she has passed. May her soul rest in peace and my deepest condolences to the family.
