“ I miss you JJ! I think of you every day. I miss all the times that we used to laugh together. I remember all the funny faces we'd make at each other. I also remember when you'd blow me kisses and I'd blow you kisses back. Then you'd catch the kisses I'd blow at you, pretend as if you were eating them, swallow them, then run your tummy and smile. It's still very difficult to be in this world without you. You made everything alright for me even when my days seemed to be cloudy and dark. There's no way that I could ever forget you or that my love for you, will ever fade away. You taught me so many valuable things. I will always treasure every great memory about you. Save a pair of wings for me sweetheart! Rest in LOVE KING J! I love you for eternity 🥰❤️💋❤️

“ Rest in LOVE baby!!! I'll always love you. Until we meet again, bae..I was proud to be yours on earth. I wrote this poem for you boo...The joy that you brought into my life, made me proud and strong. With your beautiful and perfected love, I knew that with you, I couldn't go wrong. Your smile was like a golden Ray of sun. A new life with you had just begun. You taught me how to forget all of my past hurts. Baby, you encouraged me to realize my self-worth. Always told me to keep my head up and not down. Times I felt scared, you were the one who was around. You always gave me that extra push that I needed to overcome. Said we'd win this race, called life as one. Everywhere I go, I'll take your loving spirit with me, because with it, I will not be complete. I made a commitment to love you forever, not even death can change that. I'm here to tell my love angel today, how much I adore you, miss, and wanted you to stay. Though you are not here in the physical, you are still here in my heart. Not even death can tear that apart. Rest in love, my beautiful King. You are still and the only King of my dreams. 12/2018....GOD gave us one year to love each other and to be joyous with each other. Wished he'd given us a little longer baby. I pray that he'll allow me to join you soon so that we can be together again. It doesn't feel right without having you here with me. Last words, I love you. Then. I love you too boo..... I'm always thinking of you baby...🥰🥰🥰🥰

“Baby, this is so hard for me to accept, but I know that GOD makes no mistakes. He gives us life, then he comes back to reclaim what's rightfully his, his children. You brought so much joy into my life. Gave my life new meaning when we got together for the first time. Always made me laugh, even when I felt like crying. Brought so much joy into my life. Made me feel so loved and for that, I will always be grateful to you. I remember the day we had our first date, you told me that you had the heart of a lion and the soul of a King. At that moment, that's when I knew that you were the one for me. The one that GOD sent into my life for me to love, cherish, and honor you. I miss you my King! I have loved you with an everlasting love! A love that shall never die. I have been clinging on to your sweater just as I used to hold on so tight to you when we were together. I wanted us to spend the rest of our lives together, making each other happy and loving each other unconditionally, but GOD had other plans for you. My sweet and gentle dove, I'm so proud that GOD decided to lend you to me from up above. My dear and darling "JJ" sadness has come but your warrior spirit will wipe all of my pain away. I will always cherish the love that we shared, will always remember, how much my love dove cared for his butterfly. You were the one who came to complete me, you'd come into my life to set me free. When I sat alone in the dark, you came into my life as a bright shining light. Thank you baby for making some of the best memories with me. I am with you baby, always. I shall never forget all those time that you kept me uplifted when I wanted to give up. I keep asking GOD to bring you back to me, to the ones who loved and treasured you the most. GOD says, I needed him the most. One of his beloved sons has returned home with his Father. My only hope is that we meet again where sickness or death shall never be able to separate us again. I was proud to be your lady, lover, and friend. Even more proud that you loved me. I am always thinking of you, my KING. Please look over us from Heaven. May your Sprit rests in the bosom of Christ, forever, AMEN! I love you TEZZY 🥰🥰🥰
