“ So sorry to hear about David's recent passing. I only coached at Stamps for 2 years, but we have many fond memories of the 3 1/2 years that we lived in Stamps. David was a small Sophomore and Junior when I coached him, but a relentless football player and an aggressive starting 2nd baseman with a big glove and big stick. I'll never forget the great defensive plays he made in the final game of my coaching career in the final game of the district championship, a loss to Lewisville and the late Coach Theodore Blake and the Red Devils, which was the only game David lost to Lewisville in his young career. It was a pleasure to see the names of several of his friends and teammates who served as pallbearers and honorable pallbearers, including Curtis, Hodge, Jimmy, Roderick, Tracy and William and that speaks volumes about David. Also Coach James and Sharon Raley commented or left a post declaring their feelings about David which speaks highly of the legacy David has left for so many and motivates me to get in touch with James and Sharon. I would like to wish David's family, friends, teammates and "Homeboys" my condolences and many fond memories of the days, weeks and years they were able to love, associate with and play with David on this earth and can look forward to seeing him on the playing field in Heaven. In Christian love, Coach Bill Johnson

It is inevitable for us all one day that we leave this world but it will never be easy to accept by those left behind. May the wonderful memories of the better days, gentle smiles, whispers of love , the caring and kinds acts shown to his friends and family forever stay to the fore front of your memory banks. I can recall oh so many fun times in high school with David, my cousin Curtis and the rest of the crew. May the Lord comfort you and surround you with true serenity during this time of need.
