“ *My lil cousin man I'm gonna miss you. You we're a very nice cousin to have. I'm sorry we didn't get to spend more time together in the past. I'm giving my condolences to the family. To say I am sorry that this has happened at a time of my life it's the best money wise. So I'm not able to give anything right now. But if it's the Lord's will I get back on track, so I can still give something to the family. I did pray for you ever night when I found out you was sick.*
