“ *My memories are precious and heart felt for my Aunt Della Mae. So thankful for her support doing my time of need. Nothing was asked for but given freely by her. During my life time I will always remember you and never forget the words of encouragement and your support. I will always remember your beautiful smile which carried a loving message within itself. Many prayers that I have prayed for you because of my love for you. I have peace in my heart that you are with God in heaven with your love ones. I got to tell you that I liked my name that you gave me, Paula Jeanette. I loved hearing you say, “Jeanette,” which is the name I liked the best. My promise to you is to always keep your children, grands, and all your love ones you left in prayer daily. I will see you later Aunt Della Mae in heaven.*
