“ *Big John, you were one of the dearest friends a person could ask for. I remember you and my mom were "thick as thieves". You lived with us for a brief moment, and you were like a second mom to me and my sister. Greg was like our "brother from another mother". Those were days that I wish to have back, but God has made you our Angel now. My condolences to Greg, Timmy and the rest of the family. Until we meet again, #RESTEZ!*

“ Ms Lowe “Big John” as we knew her, was one of my favorite elders! She kept the day lively, whenever I was at work! She’d fuss me out in one breath and laugh and tell me she love me in the next! I’d always tell her that I was going to call Greg so that he could get her in line, and her favorite response would always be “Greg ain’t the boss of me!” She was my girl and I will miss her dearly.
