“ Emmett was one of the absolute sweetest souls I've ever had the privilege of knowing. I will truly miss our conversations. Even after I quit working at the dialysis unit, he would still call me weekly to check in and always ask how my daughter was. We would sometimes talk for hours. I will truly miss my friend! Take your well needed rest, sweet man. I know you will be welcoming when I meet you on the other side. Love you, forever!

*P.S- give Heaven the best musical tributes they've ever seen! I will miss your amazing voice and all your concerts!*
