“ Good -bye my friend. I remember going fishing with you on so many occasions. As a generous human being, you would give away the extra fish and would not take payment. The world is a better place because you walked among us. Farewell.

“ George Howell was one of the nicest and most polite men around this area. Didn't matter where he saw you there was always a smile and "hello". Edna, he loved you so much and you two were good for each other. My condolences to you and all of the children.

“ *Edna, There are not enough words to tell you how much the Edwin Rogers family felt about George. We loved him like family. He worked with Edwin at Cherokee and each day after work if we were in the hay field or anything else we needed he would come home with him and help and never would take anything for it. I am so glad he found you. You are such a sweet and special person and he loved you dearly. I am so glad you two had 19 happy years together. We love you and are sending hugs and prayers.*
