“ Prayers to all of Goldwyn's family. He was such a nice guy. We met Goldwyn at a local establishment that hosted a weekly pool tournament. He was always there. Rarely ever missed a tournament, and had a natural talent at playing pool. And he was good at it. He always greeted everyone with a smile on his face and a handshake. Everyone enjoyed his company. He will be dearly missed by all. He shared his faith with others, he talked about going to church, and you could tell without him saying a word that he had a love for God. He was a truly genuine guy and gentleman with a wonderful personality. Rest in peace Goldwyn until we see you again.

“ Prayers to Goldwyn’s family. He was a fine person and a great guy. I enjoyed working with Goldwyn and was impressed with his attention to details . Two things that I will always remember about Goldwyn are his love of playing pool and his affinity for snack foods!!! He always had a pack back with several kinds of snacks in it. We will miss him.

“ To Mr. Parker's family, I want to express my sincerest condolences. I also want to express my Gratitude. Mr. Parker did a lot for NSBE, an organization that I'm a part of. He brought his company, Albemarle Corporation to the 2019 Annual Conference. This was the only company I was able to interview with for an internship because everyone else turned me away. However, I got the job! I want to thank Mr. Parker for making this possible for me. May he rest in peace.

“ Goldwyn was a great guy! Super smart & loved his job! He also loved to eat! His office was on one end of the building & I always picked at him and told him he could smell when food was always brought in on the other end of the building & he'd come running to see if there was anything to eat!! Such a funny guy! He will be missed!! 🥹 God Bless his Family! 🙏
