“ *Butch was the best father-in-law he taught me how to cook my favorite macaroni salad and whenever I wanted it he would make it for me. He would cook three meals in one day and I wouldn't have to cook for days. We had some great times together as a family and he took great care of Dupre when he was little we are really going to miss you Butch I really wish Millie could have met her great-grandfather she would have fell in love. Rest in heaven old man as your son used to call you and tell my father I miss him. We will love you forever your daughter-in-law Lisa.*
