“ When I was on my first leave from the US Army, I went by to see Mr. Hilton. He sat me down, straightened my collar, and gave me advice that I used to become successful in the US Army and remain successful today. The advice that he gave me, I gave to others. A former Drill Sergeant once told me that you will see a part of yourself in the Soldiers that you train. Mr. Hilton, a part of you lives inside of me. Thank you for taking the time to talk to me. We are indeed Soldiers For Life.

*Mr. Toney and his late wife Mrs. Louise Tony were both my boys Dexter and Darryl's baby sitters. They always took very good care of them. Mr. Toney and I spent a lot of great times cutting firewood. I really enjoyed learning how to use a chainsaw from him. Those days are memories that I will always treasure. He was truly a fine upstanding man. I sincerely extend my condolences to the family.*
