“ I grew up riding the school bus to and from school with James. I was always impressed by the fact that as much commotion as possible was going on around him.....he was doing his lesson for the evening even though he lived about 5 mils from the school. Always knew that he would make something of himself. Always a pleasant and classy man whenever I ran into him.

Ooowee someonnes feelings were hurt lol! And he always had that Omega Psi Phi paddle on his board! And honestly back in my high school years Mr Berry was the first person of color i had ever heard speak another language fluently! I guess its those little things in memory. “ *Our hearts were sadden to learn of the passing of a longtime friend and a gentleman with such great wisdom. He had an infectious laugh, was so so humorous and always encouraging. He was passionate about his work for God, his students, family and his fellow man. We were blessed to have known him. God bless and keep you family
Much Love, Billy & Patricia Williams.*
