“ I have good memories of Carrol during our years at Bradley High School. He was a good basketball player with a beautiful jump shot.

May Carrol's family and all who loved Carrol experience the presence of God in the midst of your profound loss.

“ *So many! The last couple of days it was our squirrel hunting trips. Everyone was in good spirits, no pain, It was my adult family. I long for those times. JC gets to see mom and dad and I bet they are hunting and fishing again. If nothing else got a game of dominoes*
