“ *Mary, Mena sent me a message today of your husbands passing I wanted to express my sincere sympathy When i ran into you in Little Rock last year it was so great to see you and so heart wrenching to learn of your patriot sons losing their lives for our country I will pray for you at this sad time I do remember conversations we had years ago and how strong a believer I know that you are. When we all get to Heaven what a day of rejoicing that will be, when we all see Jesus will sing and shout the Victory, I know your husband is experiencing this wonderful promise right now! GOD bless you !*

“ I am so sorry to hear about Dr. Wise. I remember well working for him for he began his practice in El Dorado. And I remember you, Mary, and your oldest sons (and was very sad to hear of their deaths when they occurred).  
You had such a happy wonderful family that I enjoyed being around. I pray that God will give you and your family peace during these sorrowful days.
