“ Joe was an easy going man who had a great sense of humor. I will never forget what he said on night on second shift. It was dinner time and he was trying to lose some weight, so all he had for dinner was a salad. As he was about half way through it and not really enjoying it, he said; "I think I need to go put some water on this and give it some flavor!"

“ My condolences to the family. He was a great Supervisor and friend. I can remember working in a dead air zone and I complained about the heat, of course he said I was fussing, he had to pass my way everyday, so one day he got tired of me and gave me \$20 to go buy my own workstation fan! Rest in peace my friend!

“ *Hi, my name is Belinda. I am Joe's cousin in California. I remember Joe use to come to California to see my mom and her sister which were his cousins. Joe was told to look out for both of them. He stayed in touch with them until they both passed. I talked to Joe at least twice a month since March 2018. My mom passed last December. I then kept in touch with Joe until he passed. I called him the day before he passed and he didn't answer, so I contacted Brenda. I am definitely going to miss talking to him and wasn't expecting him to pass so soon after my mom. This definitely put a dent in my heart. Praying for Brenda's mom, Brenda and the rest of our Louisiana Arkansas family. Hang in there you guys. Sincerely Belinda, representing the California family. Love 💕 you guys. If you ever want to call me my number is 7076557331.*
