“ I met John's. About 20 years ago. He was one of my neighbors. We grew to be friends, as neighbors often do. We grew to be like family. There is not one time me or any 3 of my children went to his door or rang his phone that he did not answer. He was not a selfish man. He's one/was one :(of the few people n this world that kept his word. That paid his debts, that actually was teal. 24/7..... I remember grilling, eating, watching countless movies... I'm surprised me And my kids are not deaf for as loud as he listened to his television shows :)And music!! We will miss u . . I miss our friendship :(till we meet again, my friend.....
