“ *Who would have thought at 18 years old meeting a guy like Jivin in 1982 at Red River VoTech would be the beginning of a 42 year brotherhood, Big Brother, Confidant, Mentor, etc. that helped shape me into the man I am today. Some of my greatest joys have been visiting him, talking from afar. I would like to think I picked up some of his stylish ways, his generosity, and how he treated people. More importantly, how he cared for his kids. Coming “home” to Magnolia will not be the same without visiting him and enjoying his hospitality. There won’t be another Jivin. Love you my Brother. “ You were my bonus uncle and I love you so deeply. You were always there! Thank you for always supporting and encouraging me and being the best brother to my daddy. I will never every forget your big bright smile, your amazing diverse musical talents as a drummer, singer, songwriter, radio host, and DJ. You were sooo cool and such a HUGE inspiration for me to start my music career as a songwriter and singer. You always encouraged me and pushed me to be great not average ! I used to brag to my friends about my DJ uncle who always hooked me up with the best new music and even up to the very day you went to be with our Lord I was talking to a DJ this Sunday about how my uncle Jivin Johnny was so good at spinning real records (a lost art) on turntables and had the biggest collection of CDs I’ve ever seen. You were so stylish, had a great sense of humor, loved God and your family and friends soooo much! You were so gifted and such a phenomenal father to your beautiful children. I will miss seeing your happy face and receiving your big hugs but I am so grateful to God that me and my mom and dad had so many great years of wonderful memories with you that we will carry with us forever. You lived such a full, beautiful, fun life. Rest now. ☐🟩💛 I love you always JR!! - 🌞 Shannin “Shining Rae” Watkins

I remember Johnny had the Paradise jumping in Texarkana he was a good DJ my condolences goes out to the family

Evelyn Sterling - October 22, 2024 at 02:19 PM

AN

I met Johnny at the Paradise in Texarkana AR. My life was changed that night in more than one way. He became one of the best friends I've ever had, even though we didn't talk everyday he was ALWAYS in my thoughts and prayers. I went over to his place several times to check on him and when I didn't receive an answer and he wasn't answering my phone calls I knew something just wasn't right. Then he called me one day to let me know he was in Little Rock with his daughter had he would be home on July 3rd but he never did contact me so I knew he wasn't well because if he told me he was going to do something he did it. I decides about a couple of days after his passing to check the Obituaries and there he was. My heart was and still is full. I will ALWAYS LOVE him from the bottom of heart. Rest in love Johnny. Gone too soon ☐
