Thank you Darlean, It is a early African tradition to speak the name of the loved to keep their memory alive. Judy and I were African Spiritualist and we know the spirit lives never dies and is part of humanity that communes with The Creator. I know that on 3-23-26 at 4:43 AM Judy Elaine Young went to get her new assignment and will return to teach others how to love because she was love in live. By all that is The Creator she will return to continue that quest, nothing else matters. Ase'
