“ *My Brother Justin*

*Don't think of Justin as gone away  
His journey's just begun,  
Life holds so many facets  
This earth is only one.  
I will think of him as resting  
From the sorrows and the tears  
In a place of warmth and comfort  
Where there are no days and years.  
Think how he must be wishing  
That we could know today  
How nothing but our sadness  
Can really pass away.  
Think of him as living  
In the hearts of those he touched  
For nothing loved is ever lost  
And he was loved so much.  
I love ❤️ you Justin*

“ Hi! My name is Rodrick Scott and Justin is my youngest brother and I've been by Justin's side since we were babies until I briefly went away to start a family of my own. I honestly have so many memories that it would take a lifetime to write them down so I just want to say that there will not be 1 day that goes by before, now and forever that you won't ever cross my mind. I love and miss you with every piece of myself kiddo. I would definitely trade places with you if I really could bc you deserve an extra chance at this. But we all know that our Father God makes no mistakes. You're were an angel from birth but now you'll be able to get those wings you always dreamed of. They say that the 2 most hardest things in life is saying hello 🙌 and goodbye 🙌😭 But goodbyes are not forever and goodbyes are not the end, they just simply mean that we'll really really miss you, until we meet again! I love you kiddo! Always 💙👉 - your big bro Rod S.
