“ So many memories of Leola from school, church and community. I keep thinking of a conversation that we had a long time ago and Shady Grove Church. She said that her prayer was that the Lord would let her live until her Sweet Grandbaby/Baby graduated from high school. Praise God that He answered that prayer for her and gave her many more years in addition to that because in her, she saw her precious son (her words). Prayers for her family right now. Remember her love for you all!!!
