“ No one knows the day or hour, but we all would have asked for a little more time. My heart goes out to the children and the rest of the family. Lucretia and myself was the best of friends/classmates. With time, we started our own families and moved to different states, but would connect every blue moon. I wish I could say "Hello and How are you doing" one last time. I pray that God continues to comfort, give peace and understanding to the family! Rest in the Cradle of His Arms Lucretia!
