“ Where to start.. Matt was one of first male best friends. Mainly
because he lived directly behind me at the time... I'll never forget
The 4th of July "bottle rocket wars" we had.. (how we accidentally
caught the abandoned house across the street on fire. during said
bottle rocket wars) How much he aggravated Sean Coburn.
Cookie.. I'll always love you and I'm sorry I let life get in the way of
being a better friend.. I love you
