“ *You'll truly be missed Unc. I'll always remember the times I would visit you in Detroit when I was young, mostly because you were the only man other than my father to give me words and guidance towards truly becoming a man. Something I can carry with me until we meet again and I can thank you for it. Love always to you, auntie and cuzzo.*

“ *Growing up my sister and I understood that “Sonny” was our 1st cousin but we called him Uncle Sonny. The last time I saw him we talked about going fishing when he got his strength back.*

Well, Uncle Sonny I guess it'll have to be a solo fishing trip but I'm going; and whatever I catch I will set it free (just as God has set you free). Thank you for being my Uncle Sonny. I will forever hold your memory in my heart.
