“ *To My Extended Murray Family. This one hurts me to my Core. I continued to hold on to hope that he would overcome his sickness. You all know the relationship that we had it was an unshakeable life long bond we were beyond friends you couldn't tell that we were not Blood Brothers and that's exactly the way that our parents and siblings treated us. I cried out today and said you left me too soon I wasn't prepared that we had more things to do together but God had a different plan. I'm praying for you all's strength.*
