Rickey I don't know the right words to say...all I have now is Memories that we shared especially growing up in Falcon and going to School at Oak Grove, Rosston.

Man I remember when you and My Brother O.L.

Could Take a Motor Completely apart One day and Put it Back

Together the Next day....and you know you could drive your behind off.I

Could go on and on...

but Man "" Teddy Bear "" Go With God ;

and may he open up the gates of Heaven and welcome you With Open Arms !!!!

"" God Speed ""
