“ A woman that always kept it real. If she loved you knew if she didn't you knew.. My heart is broken in a million pieces. I was just at her house Easter Sunday eating greens and bread. Lord I'm praying for continued strength for myself and everyone that had the opportunity to love her. RIP my dear friend 🙏

“ I don't even have words to express the friend You became to me. You never said no to me about anything. I never ask you to do. I ask you to be a host at my child's funeral and you were more than happy to help. I loved this girl with all my heart because she always showed me her heart. She was one of a kind. I will never forget the friendship we had and hope one day We will live side beside one another in the mansions Jesus went to build for us. That we will spend hours talking about how babies and grandbabies. Robbie I know we lost touch but you were always in my heart. You were there for me when we lost K.K. and then Charlla. I will miss you terribly. Please say Hi to Jodie we lost on April; 16 ,22, just know there will never be a friend to me as you were and are. Love Brenda and Charles Young.
