“ To the family I give my condolences and are within my prayer. To have a friend is to be a friend the saying goes but we all know that is not always true. Despite being paralyzed he continued to be independent not just for himself but for others that reached out to him. Its sad because not being able to talk and visit with him but it's also peace knowing he is not suffering anymore. Coffman you will be missed very much but now you will have the chance to see Rod Parker your best friend again and may your soul rest in Heavenly Love & Peace 🙏🙏
From my family to yours ❤️ ☐

“ *Rod,*

Your presence brought light and laughter into our lives, and your absence leaves an indelible void. You were a source of unwavering support, kindness, and love. Although we must part in this life, I find solace in the hope of reuniting on the other side. Your memory will forever be cherished, and your spirit will live on in our hearts. Farewell, dear brother, until we meet again.
