“ *Ms. Rosie was one of my favorite elders! She was as sweet as they come! She & I shared a special kind of bond! One day I approached her at the dining table to administer her medication, she told me that she had a new name for me. I said “ok Ms Rosie whatcha got for me?” Then she laughed and said “I’m going to call you “bounty hunter” because you always find me no matter where I’m at!” From that day forward, I was her bounty hunter 😊...She will definitely be missed 😞...Rest in Paradise ❤️*
