

Rev. Samuel Herbert Collins

December 14, 1928 - November 5, 2021

Samuel H. Collins was born December 14, 1928, to George Collins and Gary Johnson Collins in Parkdale, Arkansas. His mother later married Willie Reed, the man who raised him as his own blood Son. Mr. Willie Reed didn't believe in stepchildren. In the 1940 census everyone in the Reed household was named as a Reed.

Samuel grew up during the time of sharecropping. They were not allowed to go to school but three months out of a year. They spent the rest of the time working the farm. Although Samuel went to school in a short period of time, he was a quick learner. He learned how to count and do multiplication within those short months. This knowledge would later lead to trouble. Samuel would go with his daddy to settle the yearly account. Samuel noticed that the owner of the farm (Mr. Sam Wilson) would not add correctly and was cheating Willie Reed. Samuel spoke up to challenge the accounting. To this he was not allowed to travel back for accounting the yearly shares. Samuel took it upon himself to call his uncle Jasper to come and get them because they were being cheated. Jasper came and moved them near Pine Bluff where they made money sharecropping and earned money to move Magnolia.

Samuel wanted to attend college and knew he would have come up with the funds to do so. He got a job working in the pulpwood's. At the age of 17 Samuel was hit by a tree in the woods and left for dead. When transported to

the hospital, no one was willing to doctor on him. They said he was going to die and didn't want to waste their time with him. An old White doctor came through and said he would try to help. The doctor told him that if he knew the Lord he needs to talk to the Lord because there was nothing else that could be done. Samuel spent three months in the hospital and came home paralyzed. His brother Otis became his therapist and taught him to walk.

Samuel not only walked but attended college at AM&N where he met his wife Tommie Utsey and they would be married (August 17, 1955) for 45 years and had three children. Samuel decided to enter the workforce in Camden, AR where he functioned as a chauffeur for Mr. Bird and Usher Drug Store as a delivery boy. Later he got a job working for First National Bank.

While working as a delivery boy in the basement of Usher's Drug store, Samuel got a call from the Lord to start delivering the Word of God as medicine for the soul. This call would become the life work of Samuel for the rest of his life.

Samuel was licensed by Rev. W.L. Morris and the St. James Baptist Church on June 25th, 1961, as a minister in training to preach the gospel.

Preaching wasn't a part-time calling but a full-time commitment to saturate himself in the word. Samuel wasn't allowed to preach anywhere until he had spent time studying with his pastor. Although Samuel had a wife and children to feed, he also knew he had souls to feed. Samuel took the command of Paul in 2 Timothy 2:15 to heart. "Study to show thyself approved unto God a workman that need not to be ashamed rightly dividing the word of truth." Samuel received degrees from: Bachelor of Science, Arkansas Baptist College; General Bible Course, Liberty Home Bible Institute, Preach and Teach Certification, Emmaus Bible School; Scofield Bible Correspondence Course, Moody Bible Institute; Jewish Christian Studies, Institute of Jewish-

Christian Studies; Certification of Studies, Understanding the Bible; Certification of Completion, The Basics of the Faith, Dallas Theological Seminary; Certification of Completion, Mini Bible College; Certification of Completion, Scofield Bible Correspondence, Moody Bible Institute; Certification of completion, Living by the Book, Dallas Theological Seminary, Certification of Completion, The Institute of Biblical Studies; The Words and Works of Jesus Christ, Moody Bible Institute; Completion of Certification, Messiah, Zola Levitt. Samuel was also blessed to have two mentors in the ministry: Rev. Roy B. Hilton, pastor of Immanuel Baptist Church in El Dorado took Samuel through every course in Dallas Theological Seminary, and Rev. Rogers took him through every course in New Orleans Theological Seminary. Over the many years of studies, Samuel accumulated over \$50,000 in biblical literature. With the courses that he has taken, he has accumulated enough courses to have earned three Ph.D.'s. At the age of 92 Samuel was getting up at 6:00 a.m. taking online Bible courses.

Samuel pastored 4 churches in his career: Mt. Willie Baptist Church, Chidester, AR; Rising Star Baptist Church, Amy, AR; Pleasant Grove Baptist Church, Camden, AR and Mt. Calvary Baptist Church, El Dorado, AR where he served for 35 years and led the congregation to build a new edifice. Samuel retired from Mt. Calvary but continued to aid churches by serving as an intern pastor.

As a pastor, Samuel birth six sons in the ministry: Rev. Johnny Ray Allen, Rev. Archie Easter, Rev. Wallace Montgomery, Rev. Donald R. Dredd, Rev. Larry Brown, and Rev. Edward Staples. There were a host of other ministers who studied under his leadership.

Samuel loved the Lord but also loved his family. Samuel and Tommie Collins were united in marriage until the Lord called her into eternity. To this union

three children were born. Gregory Keith Collins, Samuel Terrance Collins, and Sheila Kaye Collins.

After the death of Tommie, Samuel was married to Margie Nell Cooper until the Lord called her into eternity. In this marriage Samuel gained 3 children: Jimmy Wyrick (Shena), Force Wyrick Jr. (Kizzy) and La Wanda Wyrick.

Those who proceeded him in death are: His parents George Collins, Gary, and Willie Reed. Two children: Gregory and Samuel Collins. Two Wives, Tommie Collins, and Margie Nell Collins. 5 brothers: Ezekiel "Zeke" Collins, Otis Reed, Edward "Tiny" Collins, George Collins Jr., Willie Collins, 3 sisters: Lille Mae Sargent, Hattie Mae Hill, Ollie Collins He leaves to cherish his memories: Devoted daughter Sheila Kaye Hegler (Donnell) and their children (Jerome Wilbourn, Tina Williams, Cassandra (Curlee) Andrews, Sabrina (Bruce) Pierce, Marcus Allen Burrell Tusa, Ok.), LaTasha (Mike) Aragon, daughter of the late Samuel T. “ Pastor Collins married us almost 50 years ago. He touched each of our children when they were infants, baptized them when they confessed Jesus as Lord and Savior and continued to influence our entire family. I have an original copy of the Mortgage Burning Service for Mount Calvary Missionary Baptist Church. Pastor accomplished so much and touched so many lives. Several years ago, when we visited, he met our youngest grandson, Seth Henry. Seth immediately embraced him and called him, Pastor Pawpa. We will continue to treasure the times spent with Pastor and our photos as we thank the Lord for allowing him to be in our lives. Every time we communicated, he always shared something from God's Word. May the God of all comfort continue to be with his family. Grace upon grace.

A Tribute

Lewis A. Shepherd, Jr., D.D., Ed.D.

November 13, 2021

“...Blessed are the dead which die in the Lord from henceforth; Yea, said the Spirit, that they may rest from their labors; and their works do follow them.” Revelation 14:13

Today we give honor to our Heavenly Father, our Lord and Savior Jesus Christ, and His Holy Spirit, our Comforter. I would like to thank the Collins, Hegler, and all associated families for the privilege of delivering a tribute and specifically in this fashion.

As a boy growing up in rural Columbia County, I knew that Barbara, Stephanie, Cotis Jr., Jason, and Janice were my first cousins, and Aunt Naomi was my aunt. Therefore, I assumed that Sheila, Lillie, Freddie Jr., Randy, and all the others were my cousins as well. Which would mean that all of Aunt Naomi's siblings were my uncles and aunts. Today, I still have to explain it when people ask me if Randy Reed is my cousin.

Through the years, I had always observed Reverend Collins and made sure that when I was around him, everything was just right. He had a certain way of putting things in order but yet doing it in a gracious and kind way. It seems that he was always aware of any situation that people were encountering.

In June of 1974, I became deathly ill and at the Magnolia City Hospital, the outlook for my survival seemed extremely dim. At that time, I was transferred to Warner-Brown Hospital in El Dorado. After a couple of weeks in a coma, by the grace of the Lord, I finally emerged from this illness.

While in the hospital in El Dorado, I had a visit from Reverend Collins. And, if you know Reverend Collins, then you know that he addresses the situation right then and there. He told me, "Boy, the Lord didn't spare you just for you to be walking around, He has something for you to do." And he was right!

After counseling with my pastor, the late Reverend James P. Story, a date was set for me to deliver my trial sermon. The date that I was given was August 18, 1974, which was our Annual Homecoming. I was scheduled to preach in the morning service. I do not think that it was a coincidence, but rather providence, that the guest pastor and congregation for the afternoon service were Reverend Samuel Collins and the Mt. Calvary Baptist Church of El Dorado.

One of the highlights of my young ministry was the invitation to come to El Eldorado and preach for the morning service at Mt. Calvary. I was so excited, and yet so nervous, to preach in front of none other than Pastor Samuel Collins. As always, he was very kind in giving me some pointers. One of those tidbits of wisdom was to get a Scofield Bible. I did and I still have it today. His wisdom helped to shape me and make me a better preacher.

If you can fast forward eight years to 1982 and I was called to pastor the New Haven Baptist Church of Camden. Early on during my pastorate, Reverend Collins came to New Haven on a couple of occasions to lead us in revival. We were always blessed with Reverend Collins teaching and preaching; he was indeed a scholar extraordinaire.

Reverend Samuel H. Collins gave it all and he gave his best. He would do anything to help anyone at any time. His work will continue to live on in the lives of those who remain. I am reminded of the words of the late Senator Gaylord Nelson who said, "The ultimate test of man's conscience may be his willingness to sacrifice something today for future generations whose words of thanks will not be heard."

My prayers and deepest condolences to the family of our dear friend, Reverend Samuel Collins. What a mighty man of God. Reverend Collins was the epitome of a man after God's own heart. His life exemplified that of a special calling from God. There are so many memories of his life spent here with you that you can hold dearly and close to your heart. Just the other day, the Savior he has served so diligently, called him from his work here on earth and gave him sweet peace. We thank God for such a living example.
