“ Few young men who start out to preach have every had a better beginning than i did at Bethel- i was truly a youth minister. I was still in hi school when went there and was blessed that we soon had 15 young people just younger than myself. Sandra was one of those and we loved each other ever since. She was a kind, caring. giving soul i like to think i made her life a little better- i know her love and encouragement has made me a better man. May we meet again in the sweet by and by. Forever one my Bethel kids!

“ *Sandra was a very special person inside and out and will be greatly missed. The world has lost a wonderful person. She was always lending a hand to others and reaching out when they needed help. She always encouraged others to be the best they could be. We will treasure all the memories of our times together. Just think what a legacy she is leaving behind for all the generations that have been blessed by the life she lived. With our love and deepest sympathy. Aunt Frances & Linda*

“ Oh my goodness! Where do I even start with the memories that have been made? Jimmy, Chris and Brandi and all of your families, let me just give you virtual hugs for now because I know you need them! I never imagined we would lose your precious Momma so soon and it just breaks my heart! I never called her “Aunt”, I guess because she was only about 13 when I was born, so she was more like a close friend or sibling to us Kelley kids! When I was growing up, she always told me I had monkey blood because I had to be given blood when I was a baby and that’s why I loved climbing trees with Mary and my other siblings. Sandra was not only an important part of your lives, but our families also! She attended reunions, holidays, weddings, births of our babies and special events as often as she could and we couldn’t have loved her more! I know you will all miss her listening to your troubles, her pep talks and words of advice, but especially miss how much she expressed her love for you and your kids and your grand babies! We’ll all miss her calling us “honey” or “sugar” and getting one of her big ole hugs! She truly had a heart of gold and a great love for her family and friends! May you all be comforted and at peace knowing that she is free of all pain and that she is “home again” with her first family that she missed so much! Love to you all, my cousins and I’m here if you need a shoulder to cry on! RIP beautiful auntie, Sandra! 💔🙏
