“ *I am Jewel Edwards Thompson and Sarah and I were close friends, inseparable, from grade 1 thru high school and stayed in touched over the years.. I could not have asked for a better friend. I am sorry to lose her so early in our lives. I remember spending my first night from home at her house but was unable to sleep so we spent most of the night talking. May she be at peace now. Good bye my dear friend. Gone but not forgotten. Peace.*

*“ A women of impeccable integrity, who instilled the highest standards of professionalism in those people fortunate enough to work with her. Those standards and that caring will stay with us forever, that as a legacy of a health care provider is the biggest compliment I can give her. It was an honor and a privilege to work with her.*

“ *my beautiful Ms. Sarah you came into my life with the title of mother in law, but you were so much more you were a mother to me. Ive been asking the Lord how do I let go of something so beautiful?? Its incomprehensible yet I know you are with our Precious Jesus.. How I will miss you more than words could ever explain, but I will remember that in a little while longer Ill see you again.. My heart has an imprint of your teaching mentoring and love forever. May I go out there and carry on your beautiful legacy.. Love you forever Mel*

“ *Mrs. Evans was my Sunday School teacher and a friend. I will always remember what she told us; that when the Lord comes for her she would be alright. She said she was working and storing up her rewards. She had a sweet spirit and wanted to make sure that we knew the Word and the promises of God. I may shed some tears because I want see her again in this life, but I smile because I know she is with the Lord.*
