“ Sidra my friend, I finally got up the nerve and calmed down some just so I could come on this site and see you. I love you sooo much, God brought us together by the death of our sons on the same day, lord have mercy, im so hurt right now. You always had encouraging words and I bragged on your knowledge about the Bible. You're going to be very missed down here. I will always be expecting a call from you so we could cry together and then lift eachother back up. All I know is You were definitely an angel. I never heard anything negative from you, it's was always positivity. I'm praying so hard for your family right now. We just talked baby girl. I know why you had to go but I sure hate you had to leave. You & Zach are together again, your lil love bug❤️ Please give De a hug and kiss for me and let him know how close we were and how we were always there for eachother. Please take care of him for me. I know you will though and give Zach all my love and kisses as well, until we all see eachother again, this is not goodbye. It's Farewell to my Dear Friend Sidra Nicole (cole) Porchia
