“ So very sorry to hear of the loss of Ty always a sweet kid my heart breaks for I know he had so many plans for his future. He loved pulling pranks and just loved life in general. Ty was my grandsons best friend. May God comfort you all as only he can do. I pray that you can find peace in the days weeks and months to come. You now have a very special guardian angel watching over you . May the great memories with Ty always lift your spirits when you are down and I'm thankful to know that you all live in a community that will stand together and pray together May each special memory bring a sense of peace . Fly high Ty and watch over those who love you, your sense of humor and all the silly but funny things you done will never be forgotten 💔💔💔💔💔
