

Mr. Terry Lynn "Thrill" Hill

April 29, 1969 - March 14, 2024

Terry Lynn Hill was born on April 29, 1969, in Magnolia, Arkansas to the late Johnnie Hill and Daisy M. Hill.

Terry was a 1987 graduate of Magnolia High School. Upon graduation, he attended Southern Arkansas University and joined the delayed entry program into the United States Army Reserves. He remained a member of the Army Reserve until his enlistment into the United States Navy in 1990 as raining and Administration of Reservist (TAR) Sailor where he was assigned to his first tour of duty aboard USS Joseph F. Hewes FFT 1078; earning his Enlisted Surface Warfare Pin onboard this vessel.

The Shore Intermediated Maintenance Activity in Mayport, Florida was his follow-on duty assignment. There he served as Team Leader of the onsite calibration shop. While stationed in Mayport, he earned a Bachelor of Science Degree in Electronics Management from Southern Illinois University of Carbondale. Terry went on to complete many overseas deployments including England, Scotland, Ireland, and a host of other countries.

During his fourth shore tour with the Navy and Marine Corps Reserve Center in Fort Worth, Texas, he filled many billets on post. He had the distinct pleasure of training over a thousand reservists while serving various collateral duties. Terry's follow-on tours include USS Simpson FFG-56 in Mayport,

Florida; The Navy Operational Support Center (NOSC) in Shreveport, Louisiana; the USS Frank Cable AS 40 in Agana, Guam and NOSC in San Antonio, Texas.

Terry had a passion and dedication for education and professional growth that was unyielding. He successfully completed the Master Training Specialist Certification and later earned a Master of Art Degree in Organizational Management from the University of Phoenix. He continued his career endeavors by completing the Command Master Chief Program with the US Navy. In 2015, Terry transferred to NOSC Waco and served as the Command Master Chief until retirement in 2018. Terry was a doctoral candidate for a Doctorate of Management in Organizational Leadership.

Terry led a very successful career serving in the United States armed forces for more than thirty years. His personal life was as equally successful and fulfilling. Terry turned his love for music into a life-long career as a professional disc jockey. However, his most notable accomplishment was being a proud member of the Phi Beta Sigma Fraternity, Incorporated ®.

In 2001, Terry married Jada L. Gardner who preceded him in death. To this union, two daughters were born. In 2017, he was blessed to marry his friend and partner for life, Pamela R. Williams. They became a beautifully blended family with eight children.

Terry departed this life on Thursday, March 14, 2024, among family.

Terry was preceded in death by his mother, Daisy M. Hill and father, Johnnie Hill. He leaves to cherish his memory his wife, Pamela; five daughters: Chantey Harris, Kymyara Hill, Oceana Hill, Gillian Hill and Giselle Hill; bonus children: Preston Williams, Hailey Nichols and Hayden Green; five sisters: Weavie Finister, Linda Jones, Rose (Calvin) Scoggins, Sandra Gantt, and Lisa

(Donnie) Todd; three brothers: Tony (Etta) Smith, Jerry (Frances) Hill and Eric (Tracey) Hill. He also leaves a host of nieces, nephews, cousins, in-laws, and close friends who will miss him dearly.

Celebration of Life services will be held Saturday, March 23rd, 2024, at Columbia District Auditorium (Youngblood) in Magnolia, Arkansas at 1:00 p.m., with burial to follow with Military Honors at New Bethel/St. John Cemetery in Magnolia, under the direction of R.L. Reed Funeral Home, LLC.

“ I want to say how sorry I am for you guys loss. Terry was a lightning bolt of fun and when he was around you knew the party was about to be set on fire. It did not matter where you were, what time of day or night, he was always going to make sure we all had fun. Great person, awesome guy. He will be missed.

“ Hey buddy, we got Russell Wilson, so maybe our team MAY do something this upcoming season. I'm going to miss our banter when you'd come for your visits. I didn't even know that you transitioned to a better place, when you crossed my mind, and I googled you. I'm glad you're now at peace. Anchors Away Shipmate, Anchors Away!

“ I wish I wish that I was close enough to verbally hug you Ms. Pam! When Terry started seriously dating his love, he called me one day and we talked for a long while. He said that if he was meant to be married again God will show him. I asked Terry are you sure!!! He said yes, it wasn't about money or what he could do for you, he said Lisa it's true LOVE. ❤️ I might have never met you in person however the love that Terry has for you was in his voice, his face and most importantly in his heart for you.

His time here in Jacksonville, Florida and Orlando will always be with me, his friendship was priceless to me. We might not have talked enough over the years but I know he is my friend and I'm his friend.

Thank you Ms. Pam and family for giving him the perfect peace he needed. May God continue to strengthen your hearts 🙏

We immediately bonded and worked together very well. We had an absolute blast while he was here. As great as he was as the CMC, his greatest job was being Dad to his girls. Everybody knew that they were his heartbeat. We had numerous conversations about the Navy, family and life. We even talked about our Fraternities. He spoke at my Retirement and gave me a Great Sendoff. Terry is a positive force in so many people's lives. His spirit lives on in every person who interacted with him. Fair Winds and Following Seas, my Brother! We have the watch!*
