“ There are people who come into your life and walk all over you leaving memories that never fade away. Terry was that person for me. I had the privilege to teach him and inspired him to excel in his studies. He was smart and funny. Always called to make sure I was good. Much love for him always. Emma Thomas-Brooks

T as we call you, going to miss things that you would say that made us laugh so hard. I know when all of your family saw you come through the Gates, they all had smiles on their faces because you had new stories to tell. RIL my Friend. Prayers for the Robinson Family.
