“ Mr. TERRY Smith was hands down my favorite teacher at Belair Jr High School. He influenced my educational development in such incredible ways. I can still recite by memory the poems he had us remember...Dreams, Don't Quit, etc. I am saddened by his death from this earth but I rejoice that I will see him again one day in heaven. I'm sure he's teaching all the babies in heaven how to do something special. He was a magnificent human being! ❤️
