“ *To Mrs. Tinueta Hardin Family,*

*I am reminiscing about the wonderful times Tineuta shared with us, the Shaw family, Tinueta always had time to listen or give good council. I remember when we lost our mother several years ago how she just fell in there with us like a sister doing whatever she could to help. She also did such a great job at doing her "job" with clients needing housing.*

*Our hearts and prayers are with the family at this difficult time.*

“ *Tineuta was Mama T. to me.... I met her through the housing section 8 program and have known her for over 10 years. She was like a mom to me. So many times I would go to the office just to spend time with her. She gave me her home number to call her anytime I needed her. She took my daughter and I can just like we will her family I miss her terribly. I know she's up there with the angels looking down on me and making sure everything is always going to be ok. Peace love and comfort and her family and her son. She talked of you often*

“ *This was a shock to me. My sympathy is for the family she was so proud of. Tineuta, we called Miss T, was such a beautiful person inside and out. We worked together for many years and she was always the best worker I ever had. She was the sweetest person you could ever know. She could let you know where you stood with a smile on her face. My husband and I will really miss her and her beautiful smile. She loved her family and her church and God most of all. I know she is smiling down from her place in heaven. I know God has many many rewards for her.*
