“ I got to know Vera when I started work for Area Agency on Aging of Southwest Arkansas, Inc. I worked in the Magnolia office and Vera worked in El Dorado. Vera was a special lady and always told "it like it was, mostly funny!" I will miss her smile and her many tales. Chris, prayers for peace and comfort during this time.

Oh my God this one hit home. Vera was a very special person. She was a very kind and loving woman. Vera was my neighbor for years even though she lived 2 houses up from me we never got to talk that much on our street but we ran into each other, other places and we would talk about everything especially her mail coming to my house my mail going to hers she said the post office will never get it right and I agree. I just want to say you will truly be missed by everyone on this street. you always said you loved your neighbors because everyone minded their own business. I remembered the first time you met my lil girl you said girl give me that lil angel I told you, "you don't want her she is a handful. you said so what I have 2 hands "and we laughed. My sweet neighbor take your rest, we love you but we know GOD loves you best. "R I T A O O H F" REST IN THE ARMS OF OUR HEAVENLY FATHER. GONE BUT WILL NEVER BE FORGOTTEN.

So So sorry for the loss of a good woman and co worker. She kept us laughing with a great sense of humor and her many stories. She will be missed even though I only knew her for a short time here at Serenity Springs. She spoke of her son with so much pride and love, and was looking forward to a joyful future with him. God bless her loved ones and may sweet memories fill your heart and minds this holiday season.
