“ My thoughts and prayers are with the family as you all deal with the loss of your loved one. I haven't known Vernon long and we actually have never met. We talked on the phone frequently and he became a huge part of my life. My heart is sad and broken over his passing but knowing how he has suffered, it is well with my soul knowing that he can rest now. We always talked about me coming to visit him and I hate that I was never able to make it. He is such a sweet man and friend who I grew to love so very much. I will forever miss him and will never forget him. I will miss our talks, his laugh and his smile. No matter what he was dealing with or going through he always smiled when we talked and his joy always eased my pain. He always let me know how much joy I brought to his life as well. I love you always and forever my dear sweet Vernon.. Rest in Peace my friend....❤️🙏❤️🙏❤️
