“ I was blessed to become a member of the "Moore" family 22 yrs ago. Mr Ken was always nice to me. In the early years of my marriage to his baby boy I rarely saw him because of his work ethic and I'm so so thankful in how he raised his son whom is also a very hard worker. I spent the last few years with him on a daily basis. He always had something funny to say and it just warmed my heart the 1st time he said thanks to me and that he loved me. Rest in Peace Mr Ken you are truly loved by many

“ To the family of Ken, I remember him when I was a neighboring young child. He would roar up and down the gravel roads in his latest hot rod and as children we thought he was a cool edgy guy. When he was a teenager, he once got a white kitten from me as a gift to his girlfriend.

“ Condolences to Ken's family. My earliest memories go way back to the fifties when Ken and I rode the same school bus. Years later I met his children when I taught them in school. Praying for comfort.
